St John's Street

There are 3 days packed with festive fun and games for all the family. A variety of local groups and organisations will be performing.

Mrs Christmas from Gatehouse charity is back with her team of elves and helpers to shuttle people to and from the Fayre with Park and Push Rickshaw rides, they will be starting at West Suffolk College and finishing at St Johns Street to start your Christmas Shopping experience.

Nestled amongst our live entertainment and performers, will be a variety of traders selling clothes, shoes, vintage furniture, specialist beers and gin. You can also get a taste of Jamaican Street food or a 'Scoff and Nosh' burger, plus take on one of our cycle challenges.

Everyone is welcome in St John's Street. Take a ride in a Rickshaw, visit the Nativity Scene at St Johns Church with REAL donkeys, why not try an award-Winning Pump Street Hot Chocolate, or warm yourself up with a dance in the street to brass bands, trios of singers, trumpets and DJ's.

Forget about life for a while, socialise and share life stories and experiences in our special Street!!!!
